Dear Friends,

As we draw near to the close of another year, we look back and remember the way the Lord has been leading us in these trying times. He has done wonders which we would like to share with you.

Many of you have been helping us on behalf of Michael G. David who was such a help to us in the past. But he had to leave us for four years to continue his studies in the States. How I prayed for his return. As I am getting on in years I was afraid that the attractions there would keep him away. His decision to come back was a real answer to prayer. He has taken the burden on his young shoulder, and has come back full of zeal with new ideas.

Since his return, we have found a suitable spot for sale, which in God's good time we hope to use for the extension of the Lord's Kingdom, and the expansion of the work among the blind. We also have new very needy children, who come from a very dark back-ground. And at the same time the Lord has enabled Michael to find jobs for the older blind boys and girls, who were searching for a job for a long time, and have reached the point of despair. How delighted they are to be able to earn a little. And Michael has been such a comfort since he came to us all.

"Magnify the Lord with me and let us exalt His name together." Psalm 34:3

As we have shared our blessings with you. Let me ask you kindly to support us with your prayers. The first burden on my heart is that the Lord will send the right life partner for our dear Michael. One who will have the same zeal and love for the work among the blind. About the spot we mentioned we have only paid half of the required sum. Pray that the Lord will lay on the heart of His children to enable us to pay the full amount. Pray that the new children whom the Lord has put under our care will accept Him as their own personal saviour. Most of them come from very fanatical Moslem homes. But the Word of God is strong and powerful and sharper than any two edged sword. Please pray also for the young boys and girls who found jobs. That they may influence their fellow workers with the teachings they receive here. And that they may find favour in the sight of their employers. Last and not least pray for the needs of the home, that the Lord will give the needed help, strength, and funds as He sees best.

May we take this opportunity to wish you and yours a very blessed Christmas, and a New year full of joy in the Master's service.

"Let us all look up and rejoice for our redemption draweth nigh."

Yours in His service

May Ladah
